		Our Ref:	GASTECH

agreement means that Proteus will underwrite Commercial Marine Insurance for Steadfast brokers with QBE providing security.

Please find attached to this Renewal Invoice, a copy of your new policy wording with Proteus for the forthcoming year.

To provide our customers with comfort, we have included a DIC endorsement below which will apply to this policy should it be renewed with Proteus.

Difference in Conditions Endorsement

It is agreed that the cover afforded by this policy shall be no less than the cover afforded under the expiring QBE policy. In the event that a Claim is not covered under this policy, but would have been covered under the terms and conditions of the expiring QBE policy (but for the Period of Insurance), it is agreed that the Named Insured may pursue a Claim under this policy and the terms and conditions applied by this policy shall be the terms and conditions of the expiring QBE policy (but for the Period of Insurance).

In the event that an alteration to this policy is agreed between Proteus Marine Insurance, the Broker and Named Insured that reduces, restricts or excludes cover, this endorsement will not apply to that agreed reduction, restriction or exclusion.
