Additional Exclusion

Cyber Attack Exclusion

Notwithstanding any terms or conditions under this policy, Zurich does not cover loss, damage, liability or expense directly or indirectly caused by or contributed to by or arising from the use or operation, as a means for inflicting harm, of any computer, computer system, computer software programme, malicious code, computer virus or process or any other electronic system.

Provided that where this policy is endorsed to cover risks of war, civil war, revolution, rebellion, insurrection, or civil strife arising there from, or any hostile act by or against a belligerent power, or terrorism or any person acting from a political motive, then the above exclusion shall not operate to exclude losses (which would otherwise be covered) arising from the use of any computer, computer system or computer software programme or any other electronic system in the launch and/or guidance system and/or firing mechanism of any weapon or missile.

Communicable Disease Endorsement

1. Notwithstanding any other provision of this Policy to the contrary, this Policy does not insure any loss, damage, claim, cost, expense or other sum, directly or indirectly arising out of, attributable to, or occurring concurrently or in any sequence with a Communicable Disease or the fear or threat (whether actual or perceived) of a Communicable Disease.

2. As used herein, a Communicable Disease means any disease which can be transmitted by means of any substance or agent from any organism to another organism where:

2.1 the substance or agent includes, but is not limited to, a virus, bacterium, parasite or other organism or any variation thereof, whether deemed living or not, and

2.2 the method of transmission, whether direct or indirect, includes but is not limited to, airborne transmission, bodily fluid transmission, transmission from or to any surface or object, solid, liquid or gas or between organisms, and

2.3 the disease, substance or agent can cause or threaten damage to human health or human welfare or can cause or threaten damage to, deterioration of, loss of value of, marketability of or loss of use of property insured hereunder,

and includes, but is not limited to, a disease that is or becomes listed on the National Notifiable Disease List and/or is or becomes a temporary addition to the National Notifiable Disease List and/or has or could give rise to a public health event of national significance and/or is or becomes a listed human disease (where National Notifiable Disease List means the list established and in force from time to time under section 11 of the National Health Security Act 2007 (Cth) and listed human disease has the meaning given by section 42 of the Biosecurity Act 2015 (Cth), or in each case any subsequent amendment, replacement or successor legislation of the Commonwealth of Australia).
