

Product Notice

**End of Life Announcement:
ToxiPro, PHD6 Portable Detector and IQ Docking**

Regions Affected: Pacific, Southeast Asia, Korea & Japan

Dear Colleagues and Channel Partners,

At Honeywell Analytics, we're constantly evaluating and updating our product line to meet the evolving gas detection needs of customers around the world. In some cases, this means discontinuing an offering and focusing our efforts on others.

After much deliberation, we have decided to discontinue the Honeywell Biosystems ToxiPro of single gas detector, PHD6 of multi-gas detector, IQ Docking and related accessories effective **30th June 2019**.

Discontinued SKUs and Alternative Offering

Discontinuation of will include all related instruments and accessories. We have excellent alternatives detectors, helping you improve safety, ensure compliance and manage costs. Replacement or alternative products have been indicated where applicable:

Discontinued Product	Alternative Offerings
ToxiPro	BW Solo
PHD6	BW Ultra MultiRAE series
ToxiPro IQ Express Docking Station	IntelliDoX for use with BW Solo
IQ6 Docking Station	IntelliDoX for use with BW Ultra AutoRAE 2 for use with MultiRAE

Last Order Date

The last order date for the ToxiPro, PHD6 and IQ Docking will be 30th June 2019. We will accept orders based on material availability.

Supports

We will continue to support the ToxiPro, PHD6 and IQ Docking with warranty replacement parts, or an equivalent product replacement, until June 2021. Service teams will continue to provide support and repair during this time.

Please contact your local sales representative for additional details. Thank you for your continued business and support

Regards,

Happy Zhang
