

VENTIS SLIDE-ON PUMP

Ventis™ MX4 and Ventis™ Pro Series compatible

The Ventis™ Slide-on Pump is ideally suited for operators who wear their gas monitors for personal protection but occasionally require a pump for confined space entries. Available in black or safety orange and powered by its own battery pack, the slide-on pump is compatible with the Ventis™ MX4 and Ventis™ Pro Series Multi-Gas Monitors.

KEY FEATURES

- Convenient sampling – sample draw distance of up to 50 feet
- Easy to attach – no tools required to attach or remove
- Uses same battery packs and chargers as Ventis
- Flexible battery options – 3 available battery options

VENTIS SLIDE-ON PUMP
